

MS 72 PARENT NEWSLETTER

College Awareness Day

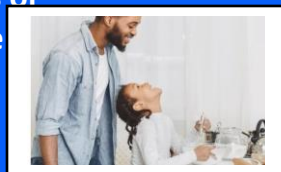

Catherine & Count Basie MS 72 collaborated with the Harlem Wizards to help bring awareness to our students that college is a goal that can be attained and college is possible. Exposing our students to college is a team effort. Counselors, teachers and parents are partners in preparing students for college.

How to Apply Math Skills to Daily Life

Show your child that math is more than another subject they have to learn in school. It is an essential everyday skill. Help them put this into practice

1. Give your child a grocery receipt and have them add up the amount the family spent on snack food
2. Take them into the kitchen to prepare food, take measurements or Bake. This will encourage them to become solid problem solvers.

Tiny Ways to Encourage Your Child

Children benefit when parents acknowledge their efforts and achievements.

Have you done this lately?

1. Applaud your child's hard work and effort.
2. Post your child's work around the house
3. Encourage your child to do their very best in school
4. Recognize your child's good behavior and attendance

PTA CORNER

MS 72's PTA welcomes all parents, guardians and staff to actively participate and support our team. Parents play a vital role in the success of our children, and we implore you to join our monthly meetings every 3rd Monday of the month to contribute your ideas and opinions on ways to improve our children's middle school journey. MS72's PTA strives to create innovative ways to ensure a memorable and joyous learning experience for our children.

We look forward to your continued support and to building bonds within our school community.
