“Success is a result of consistent practice of winning skills and actions. There is nothing miraculous about the process. There is no luck involved.” Bill Russell

Principal’s Message

I am extremely thrilled about the accomplishments and progress we have made as a school community. As I reflect on my journey at Catherine and Count Basie Middle School 72, I am fortunate to have a staff that believed in me, trusted my leadership and supported my vision. We will continue to believe in ourselves, our scholars and change the narrative at CCB. Let’s ensure we have high expectations and provide a quality education for every scholar.

Here’s to new beginnings! Teamwork makes the Dream work!

Wednesday, October 5th – Yom

Kippur- School Closed

Thursday, October 6th

AIS/Enrichment

Friday, October 7th

Electives- Period 1

Math Team Meeting

PBIS Kick Off!

Enhancing Our Practice

Student Centered Classrooms

Our goal this year is to ensure our classroom environments are student centered and not teacher centered. Please read the article for strategies that will enhance your practice.

<https://www.edutopia.org/article/creating-classroom-student-not-teacher-driven>

Bulletin Boards

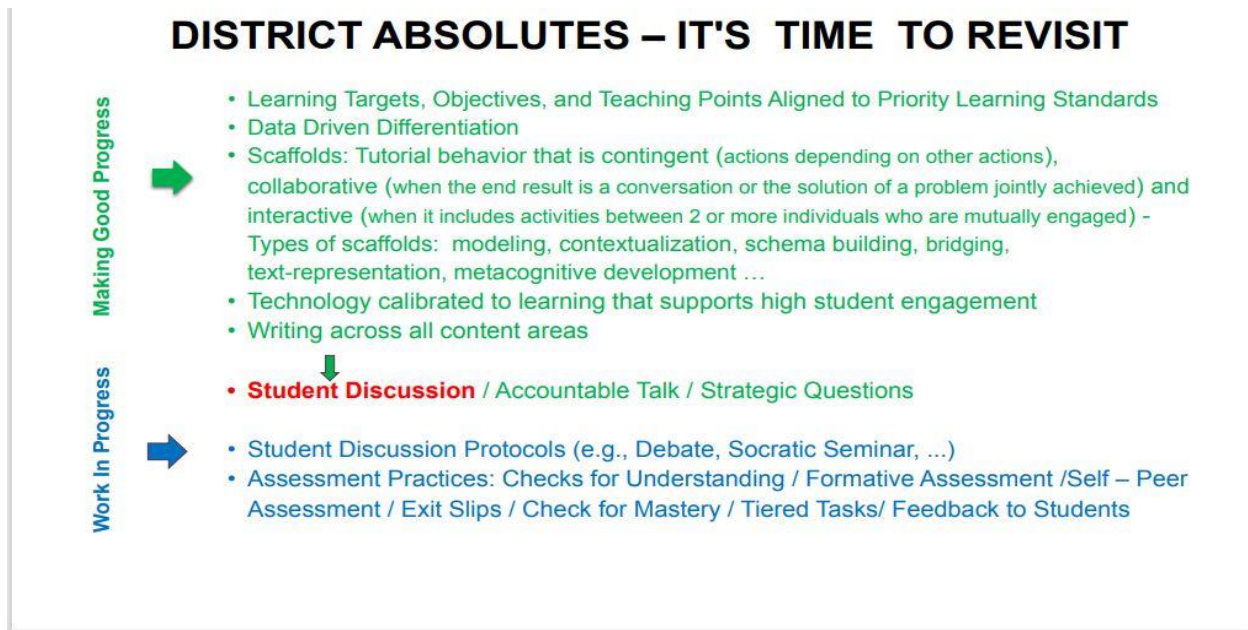

Bulletin boards are a reflection of what students have learned from a specific unit of study or time frame. They also showcase students' work. In addition, creating an interactive bulletin board, encourages students to interact with the boards, allowing you to promote skills like recognition, problem solving, hand-eye coordination and more.

Attendance

In preparation to transition from using the daily attendance rosters to taking digital attendance in every classroom, please use the link below for asynchronous professional learning.

“Success is a result of consistent practice of winning skills and actions. There is nothing miraculous about the process. There is no luck involved.” Bill Russell

Daily attendance matters! Ensure that you are taking attendance every period. We have several scholars we are expecting to return this week.
