“Success is a result of consistent practice of winning skills and actions. The about the process. There is no luck involved.” Bill Russell

Principal's Message

All educators, scholars, parents, community members and local officials are needed to support us this Tuesday evening. Success Academy has requested space on our campus for an elementary school (K-4), September 2023. Please join the virtual meeting at 6:00pm for your voices to be heard.

All educators have participated in several professional learning sessions. Several strategies were shared that should be implemented in your classrooms. It is imperative that we continue to shift our pedagogical practices to ensure we are meeting the needs of all our scholars. To that end, your planning must be “**INTENTIONAL**,” there must be evidence of **DIFFERENTIATED** instruction. Creating **TIERED TASK** will support meeting scholars where they are so you can assist them to get to where they need to be as well as accelerate their learning.

Google Classrooms must be updated and all scholars should have access to the classrooms. Contact Mr. Youmans if a scholar is in need of a device.

Thank you for all your hard work and dedication to this school community. Let's continue to change the narrative at **Catherine and Count Basie Magnet school for Multimedia and Performing Arts**.

Enhancing Our Practice

Differentiated Instruction

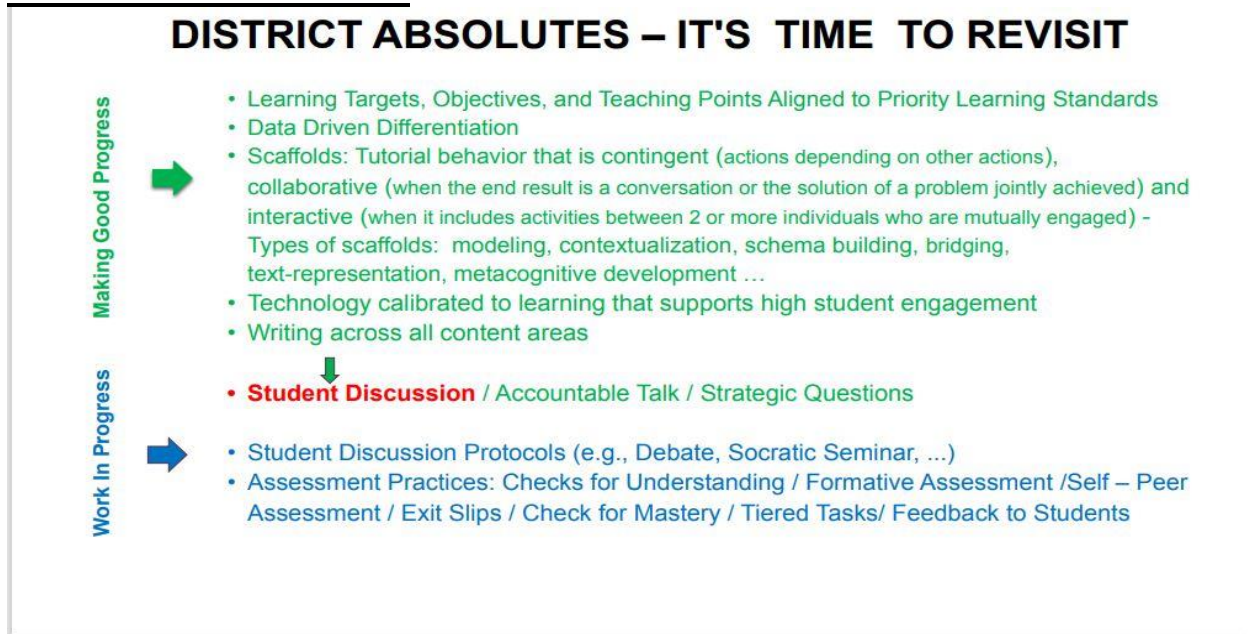

“One Size Does Not Fit All!” The objective of differentiation is to lift the performance of all students including those who are falling behind and those ahead of year level expectations. Differentiation benefits students across the learning continuum, including students who are highly able and gifted.

Parent/Teacher Conferences

We are midway through the trimester. If you were unable to contact all your scholars' parents, please ensure you contact them this week during the designated **Parent Engagement Time** or on your Prep. If a scholar is currently failing your class, you must contact their parent/guardian prior to the end of the marking period. We want to provide scholars with every opportunity to be successful.

District 28's Absolutes

Please ensure you have familiarized yourself with the District's Absolutes.
