Principal's Message

I truly hope you enjoyed some well-deserved time off with your family. We have so much to be thankful and grateful for as we endure the holiday season.

This **Thursday, December 1, 2022** the CEC Calendar meeting will discuss the proposal for Success Academy at our Campus. Please join us at **6:30PM**. You must register to receive the log in information.

All educators should have created a **Google Classroom** for all their classes. As a reminder, snow days no longer exist, in the event there is inclement weather we will provide remote instruction. Administration will be ensuring all educators have created a Google Classroom for each class. Directives will be provided in the event we need to go remote. Finally, invite administration and support staff to your Google Classrooms.

All second period educators will escort their class to the auditorium for a school wide performance by Alvin Ailey.

Thank you Ms. Johnson, Mr. Kevin and Child Center of New York for providing a wonderful meal at the Community Feast.

Thank you for all your hard work and dedication to this school community. Let's continue to change the narrative at Catherine and Count Basie Magnet school for Multimedia and Performing Arts.

Enhancing Our Practice

Student Discussion Protocols

Discussion protocols provide structured, engaging, consistently used forums for students to discuss their learning. They can be used to introduce, clarify, support and reinforce both their learning content and process.

Effective Teacher Team

Effective teams pursue a common outcome and have a common goal they want to reach. Healthy teams have a mutual respect between members of the team and management. Plus, team members value one another's contribution and skill sets. Having a team allows people with different strengths to work together.
