Don't Let Your Child Take a Break from Reading

Show your child that Reading is more than another task they have to learn in school. It is an essential everyday skill. Help them put this into practice.

1. Give your child books, magazines, or gift cards to a bookstore during special holidays.
2. Have them play games that utilize reading. Games that can boast literacy skills are scrabble, boggle and wordle (virtual online).

Have You Built a Team with Your Child's Teachers?

Children benefit when parents are involved in their academic career. When you and the teacher are on the same team, students become more confident and know what is expected of them. *Have you done everything you can to build a school-home team?*

1. Have you met your child's teacher at Parent Teacher Conferences, over the phone or online?
2. Do you talk with your child each day about their school day and review information sent home?
3. Have you attended a PTA meeting or School Leadership Team meeting?

PTA CORNER

The MS 72 PTA welcomes all parents to be actively engaged and involved in their Parent Teacher Association. With your support, we can enhance and improve the overall quality and experience of our children's academics.

We implore you to join our monthly meetings every 3rd Monday of the month at 6PM and contribute ideas on ways to improve our children's middle school journey. Last month during our meeting, we raffled off 2 turkeys for our Basie families. We look forward to your continued support.
